Artist's Statement

If you wish to include an artist's statement about your work, please do so in 100 or fewer words below. Your statement will be given to the jury and will also be included in the exhibit if your work is selected for the 2011 Student Art Exhibit. An artist's statement should explain or contextualize a single work of art. If you have submitted multiple works, please author a separate statement for each work. If, however, multiple pieces are used to construct a single work of art, one statement is sufficient.
